On 19 September 1955, it was definitely determined that the last workers had left Tutow airfield. The airfield was being guarded by three groups of three men who belonged to the municipality of Tutow. As of 22 September 1955, the airfield was still unoccupied until 22 September 1955.

Comment. On 28 August 1955, a testing commission was observed at Tutow airfield. Approximately since that date, workers have not been seen at the field. Work has been completed and the airfield is ready for occupation
